

## **Tatenda Chimhanda**

Owner/Director

Tatenda graduated from Fairleigh Dickinson University, New Jersey, USA, with a Bachelor of Science in Business Administration and Management. He has managed locations to a high-level of customer service, sales, and marketing in the transportation industry in Alberta. In addition to having a background in Business Administration and Management, Tatenda has experienced the challenges in policy, project management, and legislative development in the public sector in Nunavut, engaging with multiple stakeholders and maintaining excellent relationships.

A full scholarship to study and play soccer for his university's NCAA Division I Men's Soccer team provided Tatenda with the opportunity to experience the full scope of what is involved in a high-level program with facilities catering to athletes. Such facilities include physiotherapy and massage therapy. Tatenda brings a wealth of knowledge in what it takes to provide each client with excellent care, establishing long-lasting relationships and exceeding client expectations.
